## PROFILE

---

Kyle has over 25 years of experience in design, construction, and real estate development working on office, retail, industrial, and multi-family projects. His ability to recognize value in distressed buildings and successfully redevelop them into creative industrial properties has produced unique and lucrative opportunities for his clients. Kyle provides each client with services that are adapted to their individual needs.

While working for national merchant developers, Kyle managed numerous projects starting with initial concept and leading them through design, construction, and leasing to create income-producing investments. This experience has made Kyle adept at satisfying the demanding underwriting standards of institutional owners.
